42Dev Studio

06/2020 - Present

Web/Graphic Designer
Wordpress Specialist

I mainly deal with the creation and maintenance of WordPress websites, including customization of existing themes, debugging, security, GDPR compliance, eCommerce creation and management, and the design of social media graphics and advertising banners.

Insectum srls

09/2024 - 02/2026

E-commerce manager – Online order preparation
Sales assistance – Customer care.

I independently managed the online store, also handling order preparation and customer support via chat, email, WhatsApp, and phone. I also managed the operational logic of the chatbot across the various websites and provided sales assistance in the physical store in Rome.

Pc Academy

02/2024 - 07-2024

Web Master - Web Developer

My duties mainly involved managing the company's various websites and updating the styling of older pages. I also handled the company management software (ScuolaSemplice) and the Moodle e-learning platform for the management of online courses.

Traumph srl

03/2022 - 03/2024

Foreign Languages Tutor.

In this company, I provided training to students with various learning disorders, applying personalized teaching techniques tailored to each student.

Professional Experience

Eclypso Studio

06/2020 - 03/2022

Web Developer - Web Designer
Wordpress Specialist - Jr. Graphic Designer
Jr. Copywriter

In this studio, I mainly worked on building websites in WordPress using the page builder Elementor. I also created social media graphics for some client brands, along with their related copy and microcopy.

Easy English Service

09/2017 - 06/2020

ESL Teacher

In this company, I taught English to various age groups, from preschool children to business clients, ranging from complete beginners to C1 and C2 levels.

Traumph srl

10/2014 - 06/2017

ESL Teacher

I primarily taught English to school-age students, but I also had the opportunity to teach adults.

Formazione Global

05/2013 - 07/2014

ESL Teacher

In this company, I provided training to both young people and adults with various learning disorders and different levels of language proficiency, applying personalized teaching techniques tailored to each student.
